	30	1334		25	0140		5	1158
							6	0024

Vessels are not permitted to remain on the waiting pontoon over the low water period of sluicing. Vessels are advised to ensure that there is sufficient scope in their moorings to allow for the fall in dock level.

The lock gates may close slightly earlier than usual after High Water on these tides.

If you require a lock in, but no later than 1.5hrs after HW, please advise lock head staff before HW.

For further information please call "Fleetwood Dock" on vhf channel ch. 12
